Welcome to CurlManitoba's

St Vital Curling Club

March 10-13, 2016

Message from CurlManitoba President Sam Antila

The sport of curling has seen a tremendous increase in opportunities to watch our elite athletes perform on TV, provincially, nationally and internationally. The number of elite athletes performing at the highest levels, who developed their skills in Manitoba is quite impressive. In order for us to maintain that high standard we must focus our efforts at the grass roots level.

One of the main elements of CurlManitoba's strategic plan is to grow our sport. To that end, our staff led by Craig Baker, are working diligently in developing programs that will enhance opportunities for athletes, coaches, umpires and volunteers at all levels to improve their skill levels. Many of these programs such as the

Train the Trainer and Skill Development Series, are being delivered directly at our clubs in the regions. Volunteers are being trained to run programs at a local level thereby increasing our capacity to reach more curlers. Beginner and Intermediate level curlers are learning new skills thereby enhancing their enjoyment of the sport of curling – a lifelong sport.

Resources are the key to providing more programs, and as a result, increasing the number of participants in curling across the province. The Curling For Life Endowment Fund enables us to maintain existing programs while developing new programs to meet current and future needs. You can contribute to our sport by purchasing a CurlManitoba license plate or through a donation to the Endowment Fund.

Our success depends in large part on the support of our sponsors and the hard work of volunteers. From club level events to elite level world class events, volunteers and sponsors make it happen. Without you our sport could not succeed.

On behalf of the Board of Directors and staff of CurlManitoba and the over 100 member clubs, congratulations to all the teams who have qualified to participate in the Travelers Curling Club Provincial Championships. To the volunteers of the St Vital Curling Club and the many sponsors involved in making this such a special event, thank you.

WELCOME TO THE ST. VITAL CURLING CLUB

On behalf of the host committee and the St. Vital Curling Club, I'd like to extend a warm welcome to all the competitors, family and friends of the competitors and curling fans to our club. The St. Vital is excited to be hosting the 2016 Travelers Men's and Women's Provincial Championship.

During the event, if you need any assistance or have any questions, please do not hesitate to ask any one of the host committee members or one of the many volunteers on site. Please take time to enjoy the hospitality of the club, as well as to sample some of Dustin's great food and some of the beverages in the lounge.

It is our hope that everyone will experience good sportsmanship on and off the ice throughout the competition. We are anticipating some excellent games and we wish all competitors "Good Luck and Good Curling".

Message from St Vital President Greg Keddie:

I would like to take this opportunity to welcome all the Curlers, Spectators and Guests to St. Vital Curling Club. I hope your visit to our club is enjoyable and memorable.

Our club is proud of the accomplishments in this past year, from our different Leagues, from the senior level on down to the junior level. One of our proudest moments was when we got to watch Jennifer Jones and her team win Olympic Gold.

At this time I would like to thank CurlManitoba and Travelers for allowing us to host this provincial event.

President Greg Keddie St. Vital Curling Club Best of luck to all the teams in this year's championship!
Bon succès à vous tous!
